Host Entrepreneur

- ➔ You want to expand your business, or enter other European markets
- ➔ You want to get in contact with other entrepreneurs
- ➔ You wonder how to get some fresh ideas for your business

**Erasmus for Young Entrepreneurs
IS FOR YOU!**

Erasmus for Young Entrepreneurs: WHAT IS IT?

Erasmus for Young Entrepreneurs is an exchange programme for entrepreneurs financed by the European Union. The person you host gets a grant, and there is no charge to your company. This offers you the opportunity to share experiences with new entrepreneurs who will work with you at your own company base. The exchange lasts for between one and six months.

WHY HOST A NEW ENTREPRENEUR?

You can get input from the fresh ideas and new skills of a motivated new entrepreneur. You can tap into the knowledge of other European markets and develop your international contacts, without moving from your office. The exchange could be the starting point to find new opportunities for your business.

The programme is an opportunity to learn, create successful partnerships with new entrepreneurs and share expertise.

- You have been running your own company for several years;
- You are willing to share your knowledge and experience with a new entrepreneur and act as a mentor.

We got on so well with the new entrepreneur, that we are now partners with her company in Madrid.

Erasmus for Young Entrepreneurs IN PRACTICE:

The programme is run by a network of local contact points, including Chambers of Commerce, incubators and other organisations that support businesses present in the different European Union countries.

Once you have completed your online application and get accepted for the programme, the contact point you will have chosen in your country will help you to find a new entrepreneur that matches your requirements.

The new entrepreneur will spend time at your company, contributing to its development, while you will be sharing your entrepreneurial experience with them. This will be a personal commitment you cannot delegate to someone else.

There is a contact point near you that can help you throughout your application. To find it, go to "Your local contact point" on the website.
